### APS Foundation Funds Gompers' Therapeutic Development

PHOENIX – Gompers Center, Inc. is honored to announce that it has received a generous \$36,000 therapeutic development grant from the APS Foundation. In order to provide a more balanced learning environment for each individual, the APS Foundation recognized the value of funding the expansion of Gompers' therapeutic development, thereby providing greater potentials for success for each and every client at Gompers Center.

Mark Jacoby, Gompers' Executive Director, stated, "We consider ourselves extremely fortunate to partner with the APS Foundation once again. Thanks to their generosity, the APS Foundation supports our continuing commitment to provide every student and client an opportunity to improve their gross motor skills, increase their sensory integration, and most importantly, to communicate effectively. We extend our deepest gratitude to the APS Foundation for their continued partnership and visionary support."

For 60 years, Gompers Center, Inc. has been serving our community through exceptional programs of education, vocational training and job placement, day training for adults, dental and health services, as well as through recreation and aquatic therapies. For more information, please call Mark Jacoby, Gompers' Executive Director, at 602.336.0061 or visit Gompers' website at [www.gomperscenter.org](http://www.gomperscenter.org).
