Thunderbirds Charities Funds Gompers Center's Gymnasium

PHOENIX – Gompers Center, Inc. is thrilled to announce that it has received and utilized a generous grant from the Thunderbirds Charities to refurbish the sports court in Gompers Center's gymnasium. In order to give the children and adults with developmental disabilities that Gompers' serves an appropriate and inviting arena to participate in sports, including Special Olympics, Thunderbirds Charities has funded the complete refurbishing and refinishing of the Gompers Gators Gymnasium floor.

Mark Jacoby, Gompers' Executive Director, stated, "Thanks to the generosity of the Thunderbirds Charities, our students and clients are now able to partake in all sorts of healthy activities that can and do positively impact their physical, emotional, mental and social well-being. Being able to take time out of their everyday programs and participate in Special Olympics as a competing athlete or to just throw a few hoops to unwind has made a tremendous difference in the lives of each and every student and client we serve. We could not be more appreciative of the support the Thunderbirds Charities has provided to the wonderful people of Gompers Center."

For 60 years, Gompers Center, Inc. has been serving our community through exceptional programs of education, vocational training and job placement, day training for adults, dental and health services, as well as through recreation and aquatic therapies.
