The USAA Foundation Funds Gompers' Vocational Program

PHOENIX – Gompers Center, Inc. is proud to announce that it has received a program grant from the USAA Foundation. The funds will be used to increase adult clients placed in community jobs, enclaves and in Gompers Vocational Training Program.

Mark Jacoby, Gompers' Executive Director, stated, "We are honored to have received this generous contribution from the USAA Foundation. With these funds, Gompers will be able to provide more and greater opportunities for our adult clients to expand their abilities via Gompers Vocational Training Program. Through our industrial work training center, enclaves and individual placement in community jobs, Gompers' clients have limitless possibilities to maximize their individual potentials. Thankfully, the USAA Foundation recognizes the value of this program and the clients it serves."

For 60 years, Gompers Center, Inc. has been serving our community through exceptional programs of education, vocational training and job placement, day training for adults, dental and health services, as well as through recreation and aquatic therapies. For more information, please call Mark Jacoby, Gompers' Executive Director, at 602.336.0061 or visit Gompers' website at www.gomperscenter.org.
