Gompers Habilitation Center Hosts The 36th Annual Golf fore Gompers Tournament Presented by APS

PHOENIX – Gompers Habilitation Center is hosting the 36th Annual Golf fore Gompers Tournament Presented by APS on Friday, May 2nd at 7:30a.m. at Sanctuary Golf Course at Westworld. This annual event is one of the high points of the year for golfers and supporters alike and this year we've changed both the location and the season in which this great tournament takes place.

Mark Jacoby, Gompers' Executive Director, stated, "We are so incredibly fortunate to once again host this tournament alongside the Arizona Society of Professional Engineers. Year after year, the APSE commits so much of their time and talents to ensure a successful tournament for Gompers benefit. This year will be even better due to our new partnership with SunCor Golf and the amazing people at Sanctuary Golf Course at Westworld. The tournament is an extraordinary opportunity to promote our organization and highlight the community partners who so generously offer their unwavering support. Proceeds from this year's tournament will benefit Gompers Dental Center which exists exclusively to serve the oral needs of people with disabilities throughout our community."

For 61 years, Gompers Habilitation Center has been serving our community through exceptional programs of education, vocational training and job placement, day training for adults, dental and health services, as well as through recreation and aquatic therapies. For more information, please call Mark Jacoby, Gompers' Executive Director, at 602.336.0061 or visit Gompers' website at www.gomperscenter.org.
